Excellence in teaching & learning

VISION

EIS empowers the hearts and minds of students
by fostering educational excellence and
emotional well-being.

MISSION

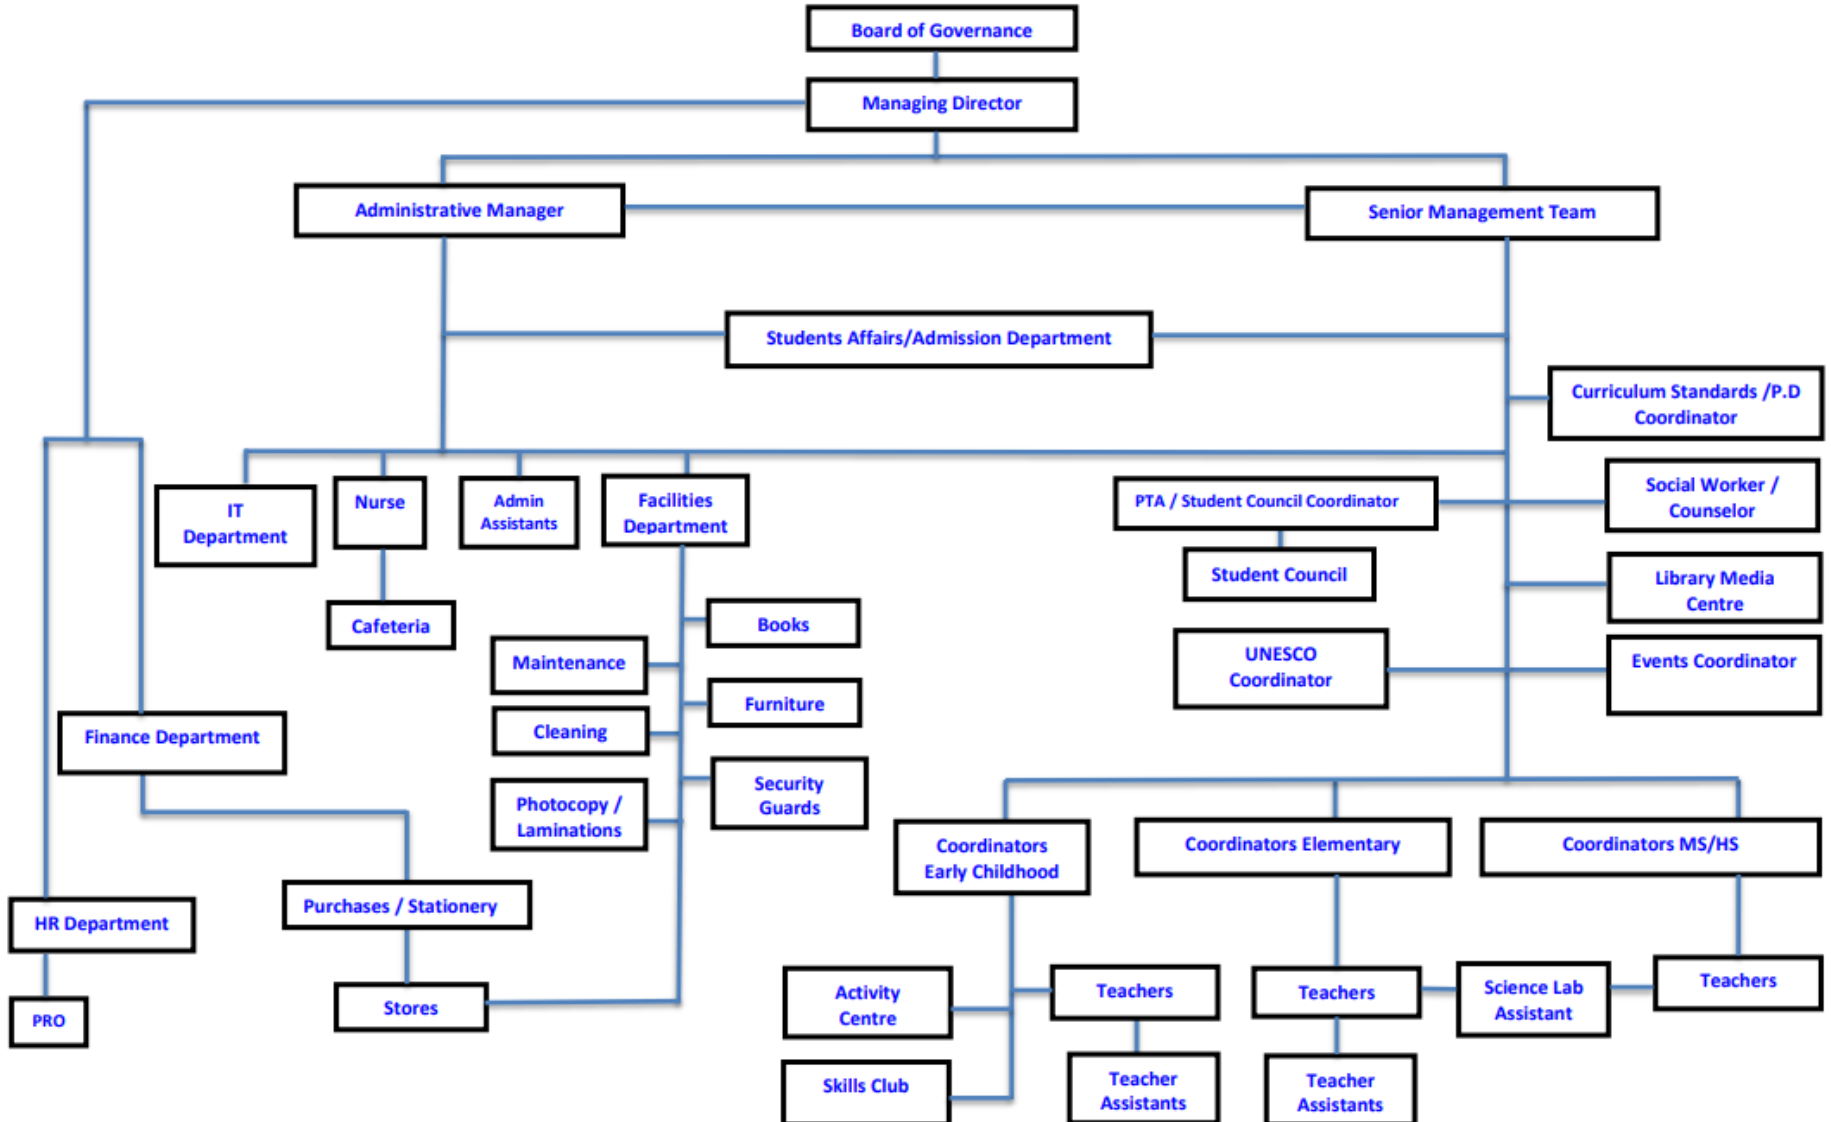

We promote students' achievement and prepare them
to become lifelong learners, equipped with 21st
century skills, optimum knowledge and
Qatari values

School Objectives

- * To raise students' attainment level to meet or exceed standards and grade-level norms in both internal and external assessments.
- * To create and maintain explicit systems for collaboration and feedback among all stakeholders.
- * To strengthen the school's sense of identity for current and prospective students, parents, staff, and the wider community to have a shared understanding of the school's vision, mission, objectives, and values.
- * To involve students in the school life using their skills, knowledge, and experience to enrich their learning experience.
- * To boost parental involvement through a set of programs and events, which has a direct impact on students' attitudes, behavior, and achievement.
- * To maintain health and safety protocols that consistently improve the learning environment for all stakeholders.
- * To develop a sense of national pride and citizenship while engendering respect for diversity, individuality, and differences.
- * To promote the life skills of communication, cooperation, improving one's own learning and performance, problem solving and critical thinking skills so that a new generation of students, that is ready for the challenges of the 21st century, is nurtured.

EIS follows a standard-based American curriculum following:

- CCSS in English and Math
- NGSS in Science
- US National Framework & Geography Standards in SST
- MoEHE standards in Arabic, Islamic Studies and QH
- * ISTE in Computer Science
- * US National Standards in Art and PE
- * Le Fle in French

Grade Advancement Policy

- * Students should score at least 60% in every subject to earn a credit for that subject.
- * Failing a core subject means having to repeat the subject for the next academic year.
- * The following number of credits will be used to determine a student's grade placement:
 - Freshman (Grade 9) 1-4 credits
 - Sophomore (Grade 10) 5-11 credits
 - Junior (Grade 11) 12-18 credits
 - Senior (Grade 12) 19-26 credits

A student who does not meet these credit requirements will remain in the same grade placement until the necessary credits are earned to advance to the next grade.

Assessment Policy

- * Reflecting and supporting the school's vision and mission, the assessment policy that we have in place is based on an on-going approach. It helps identify areas where students need intervention and support.
- * It consists of various assessment tools that range from formative and summative assessments and include homework, quizzes, and projects in addition to end of semester examinations.

MAP Tests

- * MAP tests are computer-adaptive assessments designed to measure students' academic growth and proficiency in Math, English reading and English language usage over time.
- * They dynamically adjust the difficulty of questions based on each student's responses, enabling a precise evaluation of their abilities.
- * Students should complete all tasks assigned by teachers on various online platforms including Khan Academy and Achieve3000 to be better prepared for their Map tests.
- * Students' results on MAP Test (Math and English) and Achieve3000 (English) are parts of the grading system for Grades 6 to 9 students.
- * Failure in these tests will result in students repeating the same grade level in the next academic year.

Online Reading Programs

- * Achieve 3000 for English: is a supplemental online literacy program that provides nonfiction reading content to students and focuses on fluency, reading comprehension, vocabulary, and writing skills.
- * A session is allocated weekly for Achieve3000 tasks.
- * Students should follow their teacher's instructions and submit all tasks on time, with quality in mind to achieve a minimum of 75% on every task.
- * Arabic reading program
- * Students will be provided with their online credentials at the beginning of the academic year 2023-2024.

Rewards

- * On a daily basis, students will be awarded:
Academic Achievement Coupons
Behavior and Participation Coupons
- * Every other week, students will be awarded:
Elite of the Week based on their academic and behavior performance
- * Every semester, students will be awarded:
Academic Excellence Certificate
Behavior, Participation, and Extra-Curricular Certificate
Academic Progress Certificate (semester 2)
